At the Academy, our goal is to support our students in their growth “in stature and in favour with God and man”, like Jesus Christ.

We are dedicated to providing an environment where your child’s intellectual abilities and self-esteem grow hand in hand, moral values are instilled and creativity is cultivated.

We maintain a qualified and professional team of individuals who are passionate about assisting children during their formative years, encouraging our students to flourish and to develop a lifelong love of learning.

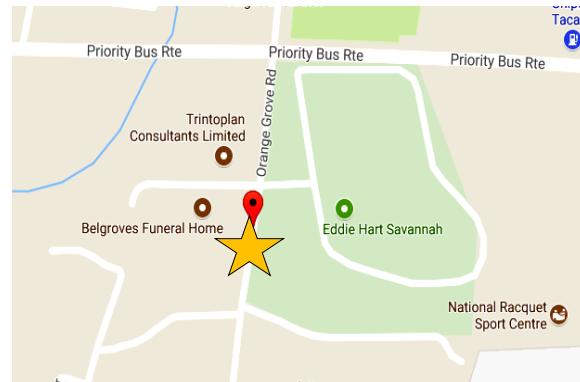

Victory Academy is more than just a school. It is a community that nurtures children and provides support to parents. We welcome you to experience it for yourself.

P. I. E. (Partners in Education)

At Victory Academy of Learning we understand that Parents and Teachers must work together as **Partners in Education** for the great success of our children.

Together, we can have a greater impact on our the lives of our children and on the community at large. **All parents welcome!**

ADMISSIONS

Please call the Administrative Office to schedule an appointment.

When coming to your appointment, please bring:

- a) Completed Admissions Forms (available on school website)
- b) The original and 1 copy of your child's Birth Certificate and Immunization card
- c) Child's photo (2 passport size)
- d) Parent or Guardian's I.D.
- e) \$200 Assessment Fee

All admission decisions are made by administration, based on an evaluation of the child, previous school records and current class sizes.

Once the interview portion of the application process is complete, you will be contacted within 7 days regarding our admission decision.

If your child is accepted, a non-refundable registration fee and a one-time commitment fee will be due at the time of registration.
